PERSONAL

An Artist and Leader in the Simulation & Training industry for nearly 13 years. An educator in the discipline of Shading and Lighting at Full Sail University for nearly 10 years. Voracious Reader, Avid Gamer, Progressive Drummer, Aspiring Novelist, and life-long student. Married for 16 years with two great kids. Always learning new things, tackling new projects, and pushing personal boundaries.

WORK EXPERIENCE

STUDIO ARTIST: SHADING & LIGHTING

2012 - Current

FULL SAIL UNIVERSITY | Winter Park, Florida

Educator with nearly 10 years of classroom experience in the field of Shading and Lighting. Adept in education-specific content and curriculum creation. Skillful in breaking down complex concepts into everyday terms to comprehension and retention.

VP Operations and Art Director

2011 - Current

Simulation & Training Systems, inc. | Winter Park, Florida

Manage all project operations, hire needed personnel for each job, and develop/create curriculum content for commercial training applications. Responsible for all 3d assets, unity engine development, personnel, and deadline deliveries.

ARTIST > PROJECT MANAGER > VP SIMUATION

2008 - 2011

Harrington Group | Orlando, Florida

3D Art Generalist creating real-time training applications in Crytek's Cryengine. Promoted to Project manager and eventually Department Head of Simulation & Training.
